Letter Slots Not Installed

Letter Carrier Delivery Service Held Up

At least 90 per cent of the premises in an area applying for letter carrier delivery must have complied with the regulations governing such service before the system can be set up. These require that letter slots or suitable receptacles for mail must be installed previous to commencement of house to house mail delivery.

A recent survey by the Postal Service revealed that to date only 23 per cent of White Rock residents had installed the necessary slots or receptacles.

This was made known by A. E. Catterall, District Director of Postal Services, in a letter to the Semiahmoo Sun this week.

The area under consideration is approximately from Nichol to St. Mary's Roads, and from North Bluff to Washington Ave.

In issuing the regulations, District Director of Postal Services, A. E. Catterall, said: "The residences in that area which are within 40 yards of the street line, and have not more than 15 steps either up or down or an equivalent rise or fall from the street level, are entitled to delivery right to the house, provided the house number is visible from the street and a letter slot or suitable receptacle is provided in or near the front door. No deliveries can be made from the back lanes. The pathway or sidewalk must be kept clear of obstructions, including ice and snow at all times. Residents in the area that are more than 40 yards in from the property line or have more than 15 steps or the equivalent up or down from street level must erect a suitable box or receptacle at or near the property line."

Mr. D. Munro, local Postmaster, also stated that patrons who now receive mail via Rural Delivery and are within the prescribed boundary, may use their Rural Mail Box if it is moved to the property line. The box should not be moved until Rural Mail Delivery is replaced by Letter Carrier Service. Mr. Munro said.

The entire area was circularized during last September, and residents were fully informed of what is required to qualify for this service which is offered by the Post Office Department.

"It is not possible to predict

when this service will begin as it depends entirely on how soon the required number of residents meet the requirements. However, another survey will probably be made on or about February 20," Mr. Catterall said. The letter also pointed out that "In order to ensure that the service is instituted at the earliest possible time, it is strongly recommended that all concerned make every effort to meet the requirements as soon as possible."

If further information is required, the Postmaster will be only too happy to answer any questions.

Provincial Voters To Be Registered

A house to house canvass of the Delta Constituency for the registration of Provincial voters is now being planned. It will include the whole area. Langley, Surrey, Delta and Richmond, Mr. F. Talbot, Registrar of Voters announced today.

The canvass will commence February 1 and will be completed in about three weeks, Mr. Talbot said.

The Registry office is located on Pacific Avenue, White Rock Hilltop.

Douglas Resident Returns From Travels

Returning from a four months tour which took him to his former homeland, Austria, then to Venice and England, Mr. Louis Hayd, proprietor of the Peace Arch Coffee Shop, arrived home on January 17.

On his return voyage Mr. Hayd crossed the Atlantic on board a British Royal Mail cargo liner, and visited Bermuda, Jamaica and the Panama Canal regions before starting up the Pacific coast on his way to Vancouver. The whole voyage took a little over a month, Dec. 10 to Jan. 17.

One of the treasures the traveller brought back with him is a massive door lock and enormous key both over 400 years old. Weighing over five pounds the fitting was placed in an Austrian inn in the year 1511 and remained in the same door until 1911.

Gov.-General Massey To Present Medal to W.R. Flyer

A White Rock jet pilot, Flying Officer Sidney Burrows, son of Mr. and Mrs. S. E. Burrows, North Bluff Road, will be presented with the Air Force Cross by Governor-General Vincent Massey, on Saturday, Jan. 28.

The investiture, which will take place at Government House, Ottawa, will be carried on the 6 o'clock news by CKNW.

Flying Officer Burrows was awarded the Cross last October for heroic action following an accident to his Sabre Jet in Germany.

The citation speaks of the officer's extreme courage and devotion to duty.

Though blinded by flying glass when the plane's perspex was shattered by a bird he managed to keep control in the four-plane formation of Jets and made a perfect "Wheels down" landing at the airfield.

Since his accident Flying Officer Burrows has been attached to the radar station near Quebec City.

No Answer on Incorporation Plebiscite ----Patience Exhausted, Says Committee

A very strong letter has been sent to the Honourable W. D. Black, Minister of Municipal Affairs, from the Incorporation Committee, protesting the failure of Victoria to grant the 10 month old request of the committee for the holding of a plebiscite on incorporation in this area.

Decision to send the letter was taken at a meeting of the committee held in Buena Vista Hall, January 19.

Demanding immediate action on the request, the letter pointed out that a petition for the holding of the plebiscite to determine whether the people of White Rock want incorporation was sent to the Minister on March 7, 1955.

The Committee have waited 10 months for a definite answer to the request. The letter reminded the Minister that on

September 15, 1955, Committee representatives, C. Blake and C. H. McElhinney, went to Victoria and interviewed Mr. Black. At that time the Minister asked the delegates to wait until after the U.B.C.M. convention in Prince George.

Since then the committee claim they have received nothing but evasive answers to their requests.

At the January 19 meeting of the committee it was pointed out that the proposed changes in the Municipal Act expected to come up at the present session of the Legislature, could not be implemented for at least three years.

A copy of the letter to Mr. Black has also been sent to T. J. Irwin, member for this district.

Fire News

A flooded oil burner was the cause of a small fire at the home of Hugh Baker, 15159 Roger Avenue, on Friday, Jan. 20. No damage was done.

Assault Offence Brings \$105 Fine

Two youths were found guilty of assault and fined a total of \$105 each in Cloverdale Court.

Roy Otto Folz and Allan Ernest Klassack, Burnaby, appeared before Magistrate John Hunter on January 21.

The two youths travelling in a car driven by a juvenile followed a car in which the passengers were juvenile boys and girls, from Newton, along the Crescent Road.

At Wright Road the driver of the first car, whipped in front of the second car and threw it across the highway, blocking the road. Folz and Klassack got out, dragged one of the girls and a boy out of their car and proceeded to beat them up. In making a get-away after the assault their car overturned.

Later caught by R.C.M.P. they were arrested and brought up in court for conviction.

White Rock Lucky--Only 42.70 In. of Rain

Residents of this resort town of White Rock should be counting their blessings instead of bemoaning the weatherman as they are apt to do.

Remember Kyquot--or Revelstoke, the local complainers should be told.

For White Rock and district chalked up a mere 42.70 inches of rain for the whole of 1955--all 12 months of it, while the west coast community had a reported 101.75 inches.

To compare snow records should also encourage those residents who profess to hate the white stuff. To Revelstoke's 150 inches fallen since November 1955, White Rock has a mere 13.15 inches for the whole of 1955.

W. E. Johnston Heads W.R. Board of Trade

Rosvalls Studios

Col. E. A. Pitman installed W. E. Johnston as the 1956 President of the White Rock Board of Trade at the annual dinner last Friday held in the Silver Moon.

President Warren Slaughter in his report of the year's work reviewing the projects undertaken by the Board in 1955, reported satisfaction in the work and optimism for 1956.

Guest speaker was Chas. K. Bantock, Canadian Chamber of Commerce manager.

"The importance of the Board of Trade for a Community" was the subject of Mr. Bantock's address. Stressing the importance of unity Mr. Bantock said: "The business and professional men and women of a community should be united for one

purpose, the betterment of the community."

"A Board of Trade should have initiative. It should assume the leadership for the community and should work for its advancement."

"Another function of the Board of Trade is to be the medium to express public opinion to the various levels of government," said Mr. Bantock.

Board of Trade slate for 1956 are:

President, W. E. Johnston; vice-president, Ken Binning; treasurer, Robert Crichton; directors, Ken Conibear, Don Crawford, Martin Deacon, Franklin Johnston, V. B. Martin, L. Stevenson, Arthur P. Atkinson; Secretary, Mrs. Don Crawford.

Fall Fair Annual Meeting Held In Cloverdale

A plea to keep the Fall Fair predominately agricultural was given by L. W. Johnson, Superintendent B.C. Farmers' Institute, when speaking at the annual meeting and dinner sponsored by the Lower Fraser Valley Agricultural Association in Cloverdale last Friday.

Deploping modern trends to submerge the agricultural motive in Fall Fairs by providing mechanical and other forms of entertainment to draw people to the fair, Mr. Johnson said he believed each has its place but the basic importance of agriculture as the show window for the district must be maintained if fairs are to survive. Purpose of Fall Fairs is to encourage people to produce and display top quality produce from the soil leading to a better understanding between consumer and producer. "It is no use bringing six top quality carrots to the fair unless you have the same high quality goods in the field to sell to the consumer."

NEW NAME

Former Reeve Charles Schultz was sure Surrey Fair should be known in future as the Fraser

Valley Fair since the Federal Department of Agriculture has raised its status to Class B.

"It is now second only in importance to the Pacific National Exhibition in Vancouver," he said when cutting the mammoth birthday cake commemorating the 67th year since its founding.

George A. Mulhead, District Agriculturist, urged more parental co-operation if Surrey 4-H Clubs are to maintain their place as agricultural leaders in the community.

NEW SLATE

J. H. Hicks, White Rock, formerly superintendent Dominion Experimental Farm at Agassiz spoke briefly. John L. Lane was re-elected president with E. O. Hamre, J. W. Stinson, W. L. Heppell, Art Boursa and Mrs. F. Gunat, vice-presidents.

Honorary presidents are J. T. Brown, S. H. Shannon, T. W. Currie, Senator Tom Reid, George Hahn, M.P., the Honourable Ken Kiernan, B.C. Agricultural Minister, T. J. Irwin, M.L.A., and Reeve R. N. Nesbitt.

W.R. Club Reach

Rotary Bonspiel Finals

The Lower Fraser Valley Rotary Bonspiel started last Wednesday at Little Mountain and finishing at Mission on Sunday drew a record crowd of "Spielers."

The White Rock Rotary Rink played through to the finals with New Westminster Rotary just edging them out for the top honours. The local "spielers" were, Skip, Tom Lockhart, 3rd Bert McAdam, 2nd George Heard and lead, Martin Deacon.

At the Tuesday luncheon Rotarian Tom Morgan of New Westminster, chairman of the Lower Mainland Bonspiel, presented the White Rock rink with their prizes.

Dr. Ralph E. Outerbridge of

New Westminster, entertained with coloured slides, showing life in China.

Reg. Rose, Ex. Sec. Vancouver Board of Trade will address the White Rock Rotarians on January 31.

Fire Razes 10 Buildings Date Alone Unknown

Need for a White Rock Historical Society is clearly evidenced by the anniversary this week of a "big fire" which nearly wiped out the main street of this seaside resort in the 1920's.

Only thing missing is the definite date of the disaster. On January 22 (or was it the 26th?) 1927, or maybe it was 1929, 10 business buildings on Washington Avenue were "razed by flames" (news item of the day--newspaper source as yet unknown).

"Frozen hydrants handicapped firemen in their effort to cope with the conflagration," the undated clipping reads. "Pumpers from Blaine and New Westminster and two G.N.R. locomotives lent aid. The main street was left in ruins."

Damage was estimated to be in the neighbourhood of \$125,000 or \$150,000, the same clipping reports. Wiped out in the great fire were the following buildings: Fish and Chip Shop, operated by Miss S. Ellis; Bread's Bakery; B. Tedham's residence; Barber Shop; Barge Bros. Store; Thrift Shop; Ditty Moore's Store; Shepherd's Store and the Central Hotel.

Or at least that is what the clipping says. A future compiler of White Rock history will have to get the story straight--and accurate.

Semi Girls Too Fast For Delta, Win in Overtime

By JIM COYNE

As the final whistle sounded the scoreboard read: Semiahmoo 27, Delta 27.

Trailing Delta by 9 points at three-quarter time, the fighting Blue and White had tied the score, forcing the game into overtime.

In the first minutes of that overtime period, Delta put up a gallant fight but just couldn't compete with the Semi sharpshooters.

Final score: Semiahmoo 35, Delta 29.

Thus Semiahmoo Senior Girls won their fourth consecutive game and gained a tie with North Surrey for first place.

BOYS WIN TOO

The Senior Boys made it a perfect night for Semiahmoo by trouncing the Delta squad 38 to 22.

The victory enabled the boys to tie with Princess Margaret for fourth place in the league.

Both games were played at Delta.

For the Semi girls, Anne Stanforth scored 12 points, Paddy Studds 8, Fern Walker 7, Sharon McGhee and Nancy Lumley 4 each.

Helmut Roth led the boys in scoring with 13 points. Herb

Fader had 12, Mel Olson 6, Dave Fraser 3, Ken Welch and Lloyd Cousin 2 each.

NEXT GAME HERE

North Surrey invades the Semiahmoo gymnasium on Friday, January 27.

This is a crucial game for Semiahmoo girls, who are tied with North Surrey for the league lead.

It could prove interesting for the Semi boys who have now grabbed two wins in a row on the road and who will be out to avenge the 72-20 abjecting they received from North Surrey earlier in the season.

Game time, 7:30.

Legion Square Dancers Hold Successful Party Shindig

Last Thursday night, Jan. 19, the square dance group sponsored by Canadian Legion Branch No. 8 held their second big "Guest Night" party.

The walls of the Legion Hall on Johnston Road almost bulged when eight squares or sets hit the floor to the tune of "Turkey in the Straw," then

settled down to a normal pace with a graceful Hesitation Waltz.

These guest night parties are held every second or third Thursday to encourage others to become on out and get in on the fun and friendship. The alternate Thursday nights are devoted to practice and instruction under the direction of Hal Brown, Recreational Chairman.

"The square dance classes are one of the many community services sponsored by the Canadian Legion Branch No. 8. They are free and are guaranteed to help you forget your business and economic worries and meet your friendly neighbour," said Mr. Brown.

Anyone interested in dancing is given a cordial invitation to attend on Thursday nights and get in on the fun of "Swing your partner, up and down" or the reels, waltzes and pattern two steps which are features of these jolly "Hi Neighbour" get-togethers.

We Are Proud Of Our Civil Defence

Civil Defence Chief, R. W. (Bob) Brown is talking sense when he says that Civil Defence should have been called Public Safety when it was first organized.

Not that adults can be excused for being scared of C.D. because of a name, as Surrey C.D. head says they are. Adults should be above such childish reactions. But seeing that many aren't, it might be a good thing if the title of this most necessary movement were changed.

For Civil Defence needs every volunteer worker it can muster. If nothing else can persuade us of the immediate necessity of preparing to protect our lives and homes, recent magazine revelations of foreign policy should. If we can believe them we have stood on the brink of nuclear war more than once in very recent times. And may do so again tomorrow.

White Rock can feel proud that Mr. Brown says this town and its surrounding district show most interest in Civil Defence in the whole of the municipality with its over 50,000 people. In all likelihood Surrey's enviable position in C.D. circles as one of the very best organized and most defence-conscious areas in the whole of the Lower Mainland is largely due to Bob Brown's own personality and enthusiasm. Though he himself gives the credit to the volunteer workers in the movement.

Whether the ordinary citizen believes in the possibility of large cities being evacuated if an attack should take place should have no influence on the attitude to Civil Defence.

As Public Safety, in times of peace or war, the whole purpose of the movement is sensible preparedness so that lives and property loss can be kept to a minimum in the event of community disasters.

The local Civil Defence group are asking for volunteers to take the First Aid Course. It is to be hoped that the response to their appeal will far surpass their most optimistic expectations.

Recording Our History

The first meeting of the White Rock Branch of the B.C. Historical Society for 1956 will be held in the Library at White Rock on Monday, January 30th at 8 p.m.

It is the intention of this Society to prepare and record, not only the past history of the district, but the happenings of the present as well. With preparations being made throughout the Province to celebrate the Centenary Jubilee in 1958, the White Rock Branch of the Society can play an important part.

One does not necessarily have to be a pioneer of White Rock and district in order to contribute to the success of this recently formed Society. A genuine interest in the past and the future, and a desire to help with the recording of all the interesting facets of the growth and development of the district is all that is required. The happenings of today will be the history of tomorrow, and the task of putting it down on paper is a simple matter when events and dates are part of the present, and they are permanently recorded.

White Rock has its pioneer families, and they have shown an earnest desire to aid the Society with the one difficult task that it has before it—the search and recording of the past. The spirit of co-operation, coupled with the thought that the work performed by this Society will be appreciated by future generations, will insure the success of this fledgling of the B.C. Historical Society.

All interested residents should make it a point to attend the meeting on Monday night.

That's Scouting

With temperatures dropping past 10 degrees below zero, and blizzard conditions prevailing, as a Scout Leaders' Training Course got under way at Swift Current, Sask. recently, two leaders travelled 98 miles to attend, another three a 104 miles and two more 51 miles. Like all Scout leaders, they are all volunteers.

Motorists whose cars stalled on an icy hill in Vancouver recently were pleasantly surprised when a boy brought sand from a nearby house and got them out of their difficulty. "I bet that's a Boy Scout," said one motorist. He was right. Enquiry showed the lad was a member of the 74th Vancouver Troop doing a good turn.

When three Rover Scouts drove into Vancouver recently in a jeep, they had covered more than 31,000 miles on a 44,000-mile, 10-month motor tour which started at San Paulo, Brazil, on April 2, 1955, with the 8th World Jamboree at Niagara-on-the-Lake, Ont. last August, as its major objective. Since the Jamboree the Brazilian Rovers have visited the eastern United States, northern Canada, Alaska and some of the western provinces.

They had got to know many people well and made friends everywhere—but that's Scouting!

You Own 45 Acres of Forest

Every Canadian citizen owns 45 acres of forest. All told, the ownership covers a million square miles. Your monthly pay-check, whatever your job, carries a forest dividend. Not as big a dividend as your children will draw, but still pretty satisfactory.

The world is bidding for Canada's forest products. Each year, we respond with new industries, new towns, new forests of well-paid workmen. There's no end to this process, as long as the forests are kept evergreen and ever-growing.

Community Profile

MR. SPEAKER — THE HON. T. J. IRWIN.
By G.M.A.

Rumour has it that the powers-that-be in Victoria named Tom Irwin Speaker of the House because he had already, as Chairman of the Social Credit Provincial Convention, displayed a flair for making speakers stick to the point. Moreover, as Mr. Speaker, he would have the job of keeping others in order—a job he is very good at, too—whereas if he had remained simply M.L.A. for Delta someone else would have had to try to keep him in order. And that, as his life story proves, would be no easy matter.

For the Honourable Tom, as many of his associates and acquaintances call him, inherited a sturdy independent nature from his Scottish forbears. He also inherited a tradition for public service. Thus, following the opening of the Provincial Legislature on Tuesday, January 17, 1956, the son of a Glasgow Councillor and bailie or magistrate is again presiding over the 27th session in B.C.'s dignified halls of debate.

A MATTER OF PIGS
At no time in his life was the quality of independence more marked than in the incident of the pigs.

It all began with a conflict of wills between Tom and his equally stubborn father, Baillie James Irwin, who was also the owner of the largest wholesale meat business in Scotland. Opposing his father's wish that he should enter the family firm, Tom persisted in his ambition to become a farmer. So at the age of 16 he crossed the Atlantic and went to work on a farm at Clifford, Ontario. Two years later he made up his mind to go west and homestead near Edmonton. But first he agreed to his father's suggestion that he should make a visit to Scotland before becoming a homesteader.

It was then that the matter of the pigs decided Tom's fate and sent him westward once more to become a leading figure in many Canadian enterprises and finally Speaker of the House in B.C.'s Legislature.

For their butcher trade the Irwin firm had set up a large pigery at Stape, one and a half miles from the farm. At that time swine fever was rampant and a quarantine station was necessary for all incoming pigs. Tom's father took a notion the station should be shifted from the farm to the pigery itself.

This Tom strongly opposed. "The minute you do that I'll go back to Canada and in 90 days you won't have a pigery," he declared.

But Baillie Irwin's will was as strong as his son's. He moved the station — the pigery was wiped out — and Tom went west once more to make a career in Canada.

WORLD WAR I

He homesteaded as he had planned, at Androssan, 18 miles east of Edmonton, where he farmed successfully until 1914, and the outbreak of the First World War. He joined the 51st Infantry Battalion and went overseas in 1916, fighting at Ypres, on the Somme and at Vimy where he was seriously wounded.

Married in 1917 to Miss Alice Court with whom he had gone to school in Glasgow, Mr. Irwin returned to Canada in 1918. Three daughters were born to the couple, Averil, now Mrs. J. G. Perrin of Toronto, Doreen, also of Toronto and Jean who died at the age of six.

Because of his health Tom could not go back to farming and he went to work for the Alberta Government Telephone. Later he worked for the United Grain Growers and then became superintendent for the Livestock Producers of Canada Ltd., a large-scale cattle shipping firm in which his father was a partner.

HE COMES TO B.C.

Another breakdown in health caused by his war injuries sent Mr. Irwin west to the Pacific Coast and to the career which all along was probably waiting for him. He settled first in West Vancouver. A chance trip home to Scotland with his family found him caught by the Second World War and his talents were put to work for an engineering firm under the Minister of Supply. His particular job—a heavy and responsible one, was re-locating an oil-supplying blitzed warehouse.

The return to Canada was made in 1946 and again the Irwins headed for the Coast. After moving from the city to a permanent home in White Rock Tom became secretary of the Canadian Legion at White Rock and later secretary-manager of the Cloverdale branch.

It was in White Rock that he became actively interested in Social Credit, though he had first read of it years before during a spell in hospital. He admits he was drawn to the Socreds because they are not a political party in the sense in which the term is usually interpreted since members claim they are not rigidly bound by party discipline but remain sensitive to the wishes of their constituents.

HE BECOMES MR. SPEAKER

Elected in Delta in June 1952, over Len Shepherd, C.C.F. member of the Legislature, Mr. Irwin was named Speaker of the House in December 1953. And he has remained in that office ever since.

That inherited "stubborn" streak first strongly revealed in the incident of the pigery has involved the Honourable Speaker in several controversies since he took his high and dignified office.

At least one is his attempt to extract from an equally colourful and determined countryman, Vancouver Radio Commentator Jack Webster, an apology for a disputed reference to "dis-honest" agents (political) during a recent broadcast.

The COMMON ROUND A.J.P.

I CANNOT HELP FEELING concerned that at a time when everyone is stressing the need for more public washrooms for White Rock and Crescent, they find that those we do have are now closed to the public. Not only are they closed, but all windows and doors have been boarded up with plywood.

I AM NOT CRITICIZING the Parks Board for taking this action because I have been told if this measure is not taken the existing facilities will be wrecked by vandals. In the past the damage has cost the taxpayers plenty and replacements have had to be made before the facilities are ready for public use each Spring.

HOODLUMS AND VANDALS are still flourishing in the community and it is time for action to stamp out their activities. Let's not allow this condition to get out of hand as it seems to have done elsewhere. The public no doubt was much encouraged, as I was, when they learned that Magistrate John Hunter had stated all vandals and hoodlums would be dealt with most severely when appearing before him. This may help all law-abiding citizens who will certainly applaud the magistrate's stand on this matter.

I AM ALSO CONCERNED because as yet the checker board

at the corner of F Street and Victoria has not been replaced. Because adequate signs have not been erected on Washington Avenue at the scene of the two New Year's Eve accidents.

Because some residents in the neighbourhood of the corner of Victoria and Columbia Streets have brought it to my attention that this is another extremely dangerous corner. Especially for traffic proceeding west on Victoria and having to make a right-hand turn onto Columbia so that they may proceed up the hill to F Street.

ALL CARS other than possibly the small British cars have to swing away out over the centre line in making the turn around the pole at the point. This corner presents a definite problem for every funeral procession that has to make the right-hand turn to proceed to the Hilltop. This corner could quite possibly be the scene of an accident as traffic proceeding down hill and west on Columbia are not expecting traffic to swing away out over the centre line.

This and That

STEP SOFTLY HERE This is the place my childhood knew. Here I played, in this sheltered garden spot. Half the world I've come to see how it has fared. Changed it has not. Only the hands that plundered here are old. Only a child's bright wonder has grown cold.

Hilltop,
Jan. 20, 1956.
To the Editor,
Dear Sir:

In regard to Mr. and Mrs. Dunn losing their gold fish reported in your last issue, I will give you my experience along that line. I lost 18 gold fish at once and I could not think anybody could take them. First I thought it was a cat. I had cleaned the pond out and only put 18 or 19 inches of water in the bottom along with the fish thinking the rain would fill it up. On looking in later I could not see any fish only one and it was black. It had not changed to red yet but it was gone the next day too. I noticed quite a few sea gulls flying round every day and they would sit on the top of the houses and on the hydro pole just out on the side of the street where they could look down into the fish pool so I filled the pond up with water. I had three little fellows in the house and I put them in the pond. They are there yet and that was three years ago.
Yours sincerely,
THOS. E. BELL

To the Editor,
Dear Sir:

For the past 14 months negotiations have been going on between the Transport Committee of the Ratepayers' Association, Mr. Ferguson of the Semiahmoo Bus Company, and Mr. Joyce of the Public Utilities Commission of Victoria for an extended evening bus service to allow members of the various local organizations to attend their meetings which are usually held around 8 p.m., and due to lack of transportation has been their complaint in not being able to attend those functions without having to walk considerable distances. This Committee has arrived at the point where transportation will be provided as from Thursday, February 2 on two nights of the week, i.e. Tuesdays and Thursdays and will run on a trial basis for one month. Notices will be posted giving approximate times of leaving the Depot.

This Committee sincerely hopes that your patronage will justify this extended service.

Our sincere thanks to Mr. Ferguson and Mr. Joyce for their able co-operation in this matter.

Committee of Transportation:
P. McKeilburg,
E. Rinkling,
S. Suddes.

PLAGUE OF CRIME.

Death stalks us day and night, as you read from your local Press.

Describing so much crime around, we are in a serious mess; Bank hold-ups, theft and shootings, we don't know what to think.

The tragedies that we read of, and the curse of Dope and Drink. Let's face this fair and squarely, for we've cause to frightened be.

Crime sure is getting out of hand, we need security. This should be done, that should be done, arm-chair warmers know it all.

Ask them, put it in writing, see them wriggle round and stall. Take the case of some eye-witnesses, to happenings where they're near.

They slip away, for fear that they, have to in court appear. Police administration costs, taxpayers kick and gripe. Yet they want Police protection, every day and every night. We can talk and talk and criticize, that's your privilege, also mine.

But we have not yet got to the answer yet, to stop this Plague of crime.

Around Town...

Welcome to White Rock Party Honours Newcomers

A welcome to White Rock party was held in the home of Mrs. J. Hazlett on Friday, January 20 in honour of Mrs. Hutchison and Mr. and Mrs. J. Williamson, who have come to live in the neighbourhood. Present for the occasion were Mrs. A. Hazlett, Mrs. D. G. Munro, Mrs. A. Griffin, Mrs. C. H. MacElinney, Mrs. T. Davenport, and Mrs. Turner, a sister of Mrs. Hutchison.

LUCKY WINNER

Mrs. C. P. Ortnier, Thrift Ave., was the lucky winner of \$125 on the C.K.N.W. "Are You Listening" programme last Saturday. Giving the correct answer "Denmark" to the question "In what country was the scene of Shakespeare's 'Hamlet' set?" brought Mrs. Ortnier the prize money.

HERE FROM ESQUIMALT

Colonel J. C. Cave of Esquimalt, brother of Mrs. Eric W. Mitchell, is spending a week with Mr. and Mrs. Mitchell at their Magdalen Avenue home. While here Colonel Cave is also visiting his mother, Mrs. L. Cave and another sister, Miss Gladys Cave.

OFF TO SOUTH AMERICA

Mr. and Mrs. John Falkenberg of Edmonton, were guests of Mr. and Mrs. C. E. White of Marine Drive, over the weekend. The Alberta couple are on their way to South America for an extended visit. They were accompanied to White Rock by Mr. R. Falkenberg of Vancouver.

MRS. COWLES MOVES

Mrs. Charles Cowles has sold her Cliff Avenue home and has taken up residence in the White Rock Hotel. She left on Monday for Spokane where she will meet her friends. Flight Officer and Mrs. J. E. R. McMillan, of St. Johns, Newfoundland, who had planned to visit her in her White Rock home.

BACK TO BANANA BELT

Mrs. H. Griffiths and daughter, Colleen, of King George Highway, recently returned from Ocean Falls and reported they were glad to get home to the mild climate of White Rock after seeing snow drifts five feet deep and enduring temperatures of 8 above.

IN PALM SPRINGS

Among the lucky travellers spending three months basking in the sunshine of Palm Springs is Mrs. Olive Duncan, Victoria Avenue.

CUSTOMS OFFICER MOVES

Mr. and Mrs. L. V. Hicks will be greatly missed by a wide circle of friends when they leave their Prospect Avenue home and move to Burnaby on February 15. Mr. Hicks, chief clerk on the Customs staff here, has been in White Rock for 20 years. A prominent Oddfellow Mr. Hicks is also a member of the local curling club. Mrs. Hicks has taken an active part in the Hospital Auxiliary work as well as in the V.O.N. and the C.W.L. Mrs. Hicks left last Thursday by air for Regina to attend the funeral of her brother, Mr. F. J. Gallagher, who passed away on Jan. 19.

ENTERTAINS

Mrs. F. Bowman recently entertained a few guests at her home on Oxenham Street, to welcome Mrs. T. Miller, also of Oxenham, who has just returned from a visit to Coalinga, California. Among the guests was Mrs. C. Hastings, who had just returned from visiting her son in Ocean Falls.

AT LANGLEY CARS MEETING

Miss June Southwell, physiotherapist in the local hospital, and Mrs. Jessie Lee, President of the White Rock C.A.R.S. organization, attended the re-organizational meeting of C.A.R.S. in Langley on Monday of last week.

ATTEND ICE CAPEDES

Mr. and Mrs. J. S. Kinnaird and daughter, Dauna, were among the King George Highway residents who took in the Ice Capades show in Vancouver last week. They report the stage service provided was excellent, the driver very congenial and helpful and the Ice Show really wonderful.

CHANCE MEETING

Recent visitors from South America to the home of Mr. and Mrs. N. Barnett, North Bluff Road, Mr. and Mrs. Alan Childs while staying at Laguna Beach, California, chanced to have a motel next to Margarat and Mrs. Fabian Hugh of Cloverdale.

HOME ON LEAVE

A.C.I. Donald Lowgren, son of Mr. and Mrs. U. G. Lowgren, Thrift Avenue, had the ill-luck to come down with pneumonia two days after arriving home from Camp Horden on a 30 day leave. Discharged yesterday from the R.C.A.P. Sea Island Hospital, Donald is recuperating at his home before leaving for his new posting at Gimli, Manitoba. Also home for a visit, Ronnie Schiase left Tuesday night for Trenton, Ontario, after spending a 30 day leave at his home here.

NEW RESIDENCE

Mr. Joseph Oliver, who opened a law office on Johnston Rd. some months ago, will soon be coming with his family, Mrs. Oliver and son Ron, to make a permanent home in White Rock. The Oliver's new residence on Pacific and B Street is almost complete, though Mr. Oliver reports building has been somewhat retarded recently because of restrictions on truck loads on municipal roads.

TRUSTEES VISIT SCHOOLS

Members of the new School Board paid a visit to White Rock's Schools last week. Plans are in the making for a "face-lifting" for the old Elementary School, the rooms of which will be re-painted in rotation very soon. A temporary room in the basement of the new school will be used during the re-decorating period.

LAND OF THANKS

We wish to express our sincere thanks and appreciation to our friends and neighbours for the many kindnesses, messages of love and understanding and beautiful floral tributes extended to us in our recent bereavement in the loss of our loving mother, Mrs. Anna Hilton. Especially to Rev. Roger Talbot for his consoling words; also the choir and those who acted as pallbearers. Thanks too to Dr. Hogg and the nurses at the White Rock Hospital.

Ducks and Geese Ousted From the Bedroom

Ducks and geese and barnyard chickens have always been the primary producers of filling for bed pillows. But now that chemists have gone into the pillow-stuffing business, the faithful fowl may have to look elsewhere for a market for their feathers.

In the past few months, technicians at a new plant on the shore of Lake Ontario near Kingston have developed a fibre filling made-to-order for bedding purposes. Snowy white threads are spun from molten polymer, given a tight curly curl through heat-setting, chopped into short lengths and stuffed up into a soft springy mass ideal for pillows.

NO MORE SNEEZES

The new fibre fill is just as soft and resilient as the very best down available—and many times lower in price. It doesn't pack down through use and it can't escape through pillow ticking the way feathers tend to do. This spanking-clean product of chemistry does not mildew or harbour vermin and since it is dust-free it is a boon to allergy-sufferers.

A good substitute for water fowl down has been sorely needed for years. High quality down has become scarce and expensive. The ultimate in downy luxury has always been contributed by the elder, a large sea duck which makes its home in Arctic and sub-Arctic regions and lines its cosy nest with fine grey down plucked from its

meaning. In between the high-grade water fowl down and the harsh chicken feathers are dozens of blends of feathers and down, varying widely in quality. How is she to know what she is buying, all neatly sewed up in pillow ticking?

Foam rubber appeared in pillows about 10 years ago and was considered a tremendous advance over traditional feather and down. However, many people find them too bouncy for comfort and too warm for hot weather use.

Just this month the first pillows of the new fibre fill reached Canadian shores. They're soft and light and comparatively inexpensive. This time, bedding manufacturers think they've found the ultimate in serviceability and comfort.

Crescent Church Aux. Honours Member

The Girls' Auxiliary of the Church of the Ascension combined their meeting with a social evening, as gifts were presented to Miss Kathleen Murphy, who is entering training at Royal Columbian Hospital, also to Miss Phyllis Chapman, who has been in training since September and has received her

cap. Among the guests were Mrs. Alf Ruse, and Miss Davis, who also assisted. The G.A. will meet again next month, expecting to have new members.

Mrs. Charles Shaw returned on Tuesday, January 17, from a long stay in hospital in Vancouver.

Mr. R. Percy King is very ill in White Rock Hospital. His many friends wish him an early recovery.

Mr. and Mrs. A. T. McKean left for California on Saturday, January 21, to enjoy an extended holiday.

Mrs. Ida Goddard of 2668 Crescent Road, who fell and broke her shoulder about four weeks ago, is now at home recuperating.

Mr. and Mrs. Burns Kinnie have sold their place on Sylvan Avenue, and are moving to Vancouver.

Mrs. M. Foster of Ocean Park is at home again after weeks in hospital.

A fire near the greenhouses at the C. D. Morris Nurseries.

Wednesday evening, January 18, fortunately did not extensive damage. The Crescent Beach Fire Department attended to it promptly.

Mrs. Heese Temblett of Crescent Road, is in White Rock Hospital, and her friends hope she will soon be well again.

C.P. Pioneers To Tour Great Britain

Described as "a house party to Great Britain," more than 100 members of the Canadian Pacific Pioneers' Social and Service Association, and wives will make a 14-day tour of England and Scotland next March. It has been announced by Archie Sturrock of North Burnaby, association president.

Mr. Sturrock, formerly assistant superintendent of motive power for the CPR in Winnipeg, and division master mechanic in Vancouver, who will head up the party, said the main group will leave Vancouver by train on March 15 and pick up other members of the party across Canada. They will sail for Liverpool from Saint John on March 20 on the Empress of France.

The majority of the special party of retired CPR employees will return on the Empress of France from Liverpool on April 6.

Boys and Girls Beef Club Organizes

Thirteen members of what was formerly the Surrey-Delta Beef Club recently held their election meeting and made plans for activities for the coming year.

Elected to office were: President, Roger Latham; vice-president, David Hunter; and secretary-treasurer, Miss Pat Willis.

Organized last year as the Surrey-Delta Beef Club, the group this year may be known as the Surrey Club, as there are, so far, no members from Ladner enrolled. Mr. T. R. Hopkins, King George Highway, is adult sponsor.

Monthly meetings in members' homes, field trips and visits to the University of British Columbia are among the club activities. Last year the 11 member club entered a host in the Surrey Fall Fair and also sold some of their prize exhibit calves for 28 cents a pound.

Next meeting of the group will be held on February 6 at 7:30 p.m. in the home of Scott Huff, Pacific Highway. Anyone interested in joining is asked to phone the secretary at WR. 46105.

RECIPE OF THE WEEK

With Burns Night suppers to the fore this week it seems an appropriate time to give readers of this column a recipe for one of the most distinctive of Scottish tea delicacies—the Scone. For that I went to someone I know who makes scones which have the texture of velvet and literally melt in your mouth. Mrs. Ciro, proprietress of one of White Rock's smartest beauty salons. A well-known former Vancouver soloist Mrs. Ciro now belongs to the local Choral Society and is also a member of the St. Andrew's and Caledonian Society. Mrs. Ciro warns me that the secret of making good scones is handling the dough with a very light hand and having the exactly right temperature for cooking on the top of the stove on an iron griddle. The truly Scottish always pronounce it "griddle," of course. So remember if your first attempt at Scotch Scones is not quite what you had hoped, you must just try, try again, until you get that magic result which Mrs. Ciro can turn out with no effort at all. And believe me, it will be worth it.

- 2 cups flour
- 1 teaspoon baking soda
- 1 teaspoon cream of tartar
- 1 teaspoon baking powder
- 1 teaspoon salt
- 2 tablespoons sugar
- 1 tablespoon butter
- 1 tablespoon crisco or other shortening
- About 1 cup of sour cream or buttermilk
- 1 egg

Sift all dry ingredients and cut in shortening until mixture is about the size of peas. Beat egg and add sour cream or buttermilk. Add to other ingredients, mixing as lightly as possible. The secret of tender scones is not to handle too much. Flour baking board lightly and roll out dough with very light pressure. Cut in triangles. These must be cooked on top of the stove on an iron griddle, lightly dusted with flour but never greased.

Exactly the proper amount of heat is required also in the cooking. Heat the griddle until medium hot, then raise to high heat, for a few minutes and lower again to medium. Cook about 5 minutes or until lightly brown on both sides, turning when about half finished.

Serve buttered, with honey, your favourite jam or marmalade. Delicious, if made right!

—Mrs. G. Ciro

TCA's 10,000,000th

MASTER TEN MILLION: Four-year-old Michael Roder of Vancouver recently became the 10,000,000th passenger to be carried by Trans-Canada Air Lines since the company began operations 18 years ago. He is seen here "holding-up" pretty Jackie Harper, a TCA passenger agent at Vancouver airport. Michael, his parents Flying Officer and Mrs. Fred Roder and year-old sister Carol, flew from Vancouver to London and Zurich to visit relatives. Young Michael was presented with a cowboy suit that was added to at each major station.

PLANTS NEED A

should be a season of most house plants. It is a period giving them opportunity to store up energy for later activity. The period is naturally in the shortened days and low temperatures. Many plants this season may be imperceptible others it is distinct unmistakable. Bulbous are an instance of compact. Many house plants are to bloom and others so feebly. Most of those will flower at this season been conditioned or pre-blooming during the long months of Summer.

Recognition of the above indicates the Winter. All practices which stimulate growth should be in check. Less water is fed, potting and root distance of any kind should be avoided. Fairly low temperatures are desirable, but may be difficult to obtain. The temperature of the home at night should be maintained at a point favouring the comfort of the human rather than the plant inmates. It is a con-

servative statement that places a Winter dwelling house temperature at 70 degrees. This is much too high for a great many plants. It is a good growing temperature for warm-loving plants under conditions of Spring daylight and ample humidity. But the combined effects of high temperature, comparative darkness and a dry atmosphere are not favourable to general plant health.

Perhaps the reasonable attitude to take in this respect is to maintain a day temperature around 70 degrees with a drop to about 60 degrees at night. To promote humidity, the usual evaporating pans on radiators and metal trays of gravel on window sills to hold the plants will be helpful.

An exception to the above temperature is the poinsettia which likes warm nights—never below 60, and does not relish sudden changes of temperature.

That other favourite, the cyclamen, in addition to needing cool nights, likes plenty of humidity—lots more than is found in the average home. This can be provided by standing the flower pot on a saucer of gravel (or small stones) which is kept moist at all times. But don't

SMALL PALMS IN THE HOME

There is a revival of interest in the use of palms for home decoration, only now of necessity the trend is to varieties of small palms which fit in properly in the smaller living rooms of small houses and apartments.

Two such palms may be described. One is a member of the Kentia family known as Howea. The other comes from Brazil and is named Cocco Weddelliana. The foliage of both of these smaller palms is as decorative and graceful as that of larger varieties. Still another small size palm is Kentia Belmoreana.

The stems of both Kentia varieties are short and from them arise slender, arching leaves. Fortunately these palms can do without much direct sunlight and may even be placed in dark corners for several days at a time without injury. However they will do much better if they are kept in a place where there is light at all times.

The Cocco palm is desirable because it can be depended upon not to outgrow its surroundings. It, therefore, has become one of the very popular of the small ornamental palms.

The Roebelinii also is a fine house palm. It is slow growing and tractable. It is of the feathery type. The leaf stems all spring from near the base

so that it forms a graceful fountain of green. It is extremely hardy.

Mrs. Wyborn Reviews Books About the Arctic

The White Rock Library Club had another most interesting meeting on Wednesday afternoon with over 20 people present.

Mrs. Wyborn of Boundary Road gave a fascinating introduction to two books dealing with the Arctic.

"Dr. J. Moody's 'Arctic Doctor' paints a grim picture," said the speaker. "With his wife and small child he sailed from Churchill to his outpost hospital at Chesterfield Inlet, to serve some 2,000 people scattered over 600,000 square miles. After his three year stint Dr. Moody was able to give invaluable advice to the Army."

The second book reviewed, "Ploughing the Arctic," by Franter, tells of the adventures and misadventures of the RCMP boat "St. Roch's" Club members were reminded of the excitement caused, the heroes' world accorded the crew, on its return from making the Northwest Passage both ways, culmination of centuries of effort and countless sacrifice. The meeting expressed its regret over the present neglect, on Kitilano Beach, of this unique historical relic.

Once again this little group has shown its usefulness in the community in relating the library with matters of local and world wide interest.

Elgin Hall Damage Brings Conviction

Several persons have been arrested on charges of wilful damage and creating a disturbance in White Rock during weekends.

Lynne Winder, of North Bluff Road, was arrested and charged with wilful damage in connection with Elgin Hall. He was convicted before Magistrate John Hunter at Cloverdale.

Wilfred Marion and Robert Lannen both of New Westminster, have been charged with assault occasioning bodily harm and common assault while creating a disturbance at a dance hall in White Rock.

North Surrey Protests B.C.E. Gas Line

Twenty petitions with nearly 400 names from Fleetwood, Johnston Heights and North Surrey organizations protesting against the proposed location of the B.C. Electric main trunk natural gas line from Huntingdon to Patullo Bridge City Gate were handed to Surrey Council by J. Service White. Lack of time allotted prevented a much larger number of signatures being given.

Councillor E. A. Pitman told Council White Rock Advisory Council is solidly behind the Municipal stand against carving Surrey up into ribbons and ruining millions of dollars worth of valuable subdivision land. They also protest B.C. Electric seeking to quash the Zoning By-law amendments requiring them to get permission from Council to locate these lines according to Municipal requirements.

Petitioners urge Council to see that the gas line to supply Vancouver and New Westminster and Burnaby is constructed on an alternative route so as not to adversely affect Surrey developments.

Surrey Council has asked the B.C. Electric to run their trunk line along road allowances but the company says it will require an additional two miles of pipe at additional cost.

Use of Reidville Hall Granted to Boy Scouts

A meeting of West Surrey Liberal Association was held in Reidville Hall on Wednesday, Jan. 11.

A request for use of the hall for a proposed Boy Scout organization will be granted, with some conditions and privileges given to Reidville Girl Guides. The President, Mr. Wm. Leffey was in the chair.

Ray Shepherd P.T.A. Joins Film Branch

Ray Shepherd P.T.A. held their general meeting in the school on the 18th January at 8 p.m.

It was decided that the Association would become a member of the Surrey Film Branch at White Rock.

Mr. J. Hynds of Parks Board addressed the meeting and urged further co-ordination and co-operation between School Board and Parks Board to promote development of Parks and Playground in every school locality.

Mrs. Blanche Nichols was chosen delegate to represent the Ray Shepherd Branch at the P.T.A. Federation meeting in Kamloops, April 4, 5 and 6.

Women Make Historical Quilt To Aid Scout Bldg. Fund

A group of women, sparked to action by one of B.C.'s most historically-minded women, Mrs. E. Rushton Cox of Russell Avenue, are making a unique

and beautiful historical quilt to raise money for the Scout Hall Building Fund. The quilt, which will be exhibited in Vancouver as well as White Rock when it is completed, is made up of squares embroidered with authentic B.C. historical scenes.

Among these are Cotton Wood House, belonging to the pioneer Boyd family of Barkerville and built in 1860, and the Fort at Hazelton, built in 1863 by the Hudson's Bay Company.

"Plans for other squares include some for White Rock," said the enthusiastic Mrs. Cox who has done much to preserve the historical sites and relics in other parts of B.C. For White Rock, it finds, is just full of history."

Next week Mrs. Cox will be showing historical pictures in the Canadian Legion Hall, Johnston Road. All proceeds of the show will be in aid of the Scout Hall.

Other women at present working on the quilt are Mrs. Eric Small and Mrs. A. Powell, prominent Girl Guide workers. Mrs. Haddon and Mrs. W. Whiting.

Greece — Legend and Song

Writer Babs Brown, composer Richard Johnston, and consultant Walter Graham have collaborated to produce scripts for the new CBC radio children's series "Legends of Ancient Greece," which will be heard every week on the Trans-Canada Network. The Greek vase, drinking cup and ladle they are holding are from the sixth century; the design on the vase shows a story which will be the subject of one of the broadcasts. The theme music on the Greek programme has been taken from one of the few surviving fragments of authentic ancient Greek songs.

CALLS TO NEW WESTMINSTER TO COST LESS AFTER SUNDAY, JANUARY 29

Effective with the conversion of New Westminster telephones to automatic operation—Sunday, January 29—"two-number" service will be introduced between Newton and New Westminster.

To call a New Westminster number after the above date:

1. Give the operator the New Westminster number.
2. When asked, give the operator your party line letter.

At the time of conversion, all New Westminster numbers will be changed to LAview 1 and LAview 2 numbers. If you do not know the new number, ask the operator for it—then be sure to make a note of it in a list of frequently called numbers. New Westminster telephone directories are available on request at the New Westminster telephone business office.

You'll no longer have to call Long Distance to telephone a New Westminster number—and it will cost less to call this new way. The new rate for calls to New Westminster will be ten cents for the first five minutes and five cents for each additional three minutes. The present rate is ten cents for the first three minutes and five cents for each additional minute.

The "two-number" rate applies only to station-to-station calls placed by number. If you wish to place a person-to-person call you must ask for Long Distance.

The first meeting of the Guide and Brownie Group Committee was held at the home of Mrs. Judith Treloar, District Commissioner. Mrs. Aileen Postill in the chair. Plans were made for members to make garments for Lebanon, all articles to be handed in by June. Quilt blocks were also given to the ladies.

Mrs. Isobel Studds, Mrs. Erna Hadden and Mrs. Kay Leslie were elected to go to the district Local Association this month.

The 2nd Company of Guides were meeting again under the Leadership of Mrs. L. Browne, Victoria Ave. Officers for the new term were: President, Mrs. Kay Leslie; vice-president and treasurer, Mrs. Hilda Small; secretary, Mrs. Erna Hadden; badge secretary, Mrs. Isobel Studds; membership, Mrs. Barbara Andersen.

The next meeting will be at the home of Mrs. B. Andersen.

Scouts To Hold Explanatory Course

An explanatory course designed to show parents and all interested adults just what Scouting is doing for the boys in a community is being planned here.

To be held two nights, Wednesday and Thursday, February 1 and 2 in the Silver Moon, the course will commence at 8 p.m. and end at 10:15.

Field Commissioner, Jim Watson, of Vancouver, will be in charge and the whole course is under the jurisdiction of the Provincial Headquarters.

The course will take the form of talks and demonstrations, including a condensed Scout meeting of 30 minutes, put on by the 1st White Rock Pack.

Speakers will include Jim Watson, W. E. Johnston, President of the local Association, Dr. L. G. Robinson, who used to be with the New Westminster Scouts and is now active in the work here, and Max Green, local District Commissioner.

Parents of Cubs and Scouts are especially invited to attend

as well as anyone interested in Scout work. Scouts now meet second Wednesday of the month instead of the second Thursday.

Delta C.C.F. Council Opposes B.C.E. Natural Gas Plan

Still another organization has supported the Surrey Council stand protesting the action of Public Utilities Commission granting natural gas distribution rights to the B.C. Electric without necessity of franchise agreement approved by the electors of the district.

Members of Delta CCF district council expressed concern at modern trends in provincial affairs to set up appointed bodies with over-riding powers in municipal affairs.

Violent opposition was voiced at a recent meeting in Ladner to the centralization of authority in boards and commissions not elected by the people at large.

Endorsement was also given to the request of strawberry and other small fruit growers in the Lower Fraser Valley for assistance in providing fresh plants to save the industry. Mass meetings at Otter and Abbotsford had asked Provincial Government to declare the Lower Fraser Valley a disaster area, and also grant long term loans with a moratorium to enable growers to rehabilitate themselves.

Government officials had reported an 80 per cent crop loss for 1966. Ron Riley, Provincial Organizer, spoke of the necessity of more intensive organization.

O.A.P.O. Ask Gov't Operated Hospitals For Chronic Cases

Establishment of Government operated hospitals for chronic cases among old age pensioners was asked by a delegation from the organization who met with the Provincial Cabinet last Friday, January 20.

Delegates were Ralph Coles, President; E. A. Griffin, Peace Park Drive, White Rock, executive secretary; W. F. Neal, Provincial Treasurer, and Mrs. Theresa Simpson, representing Vancouver Island O.A.P.O.

The delegation also asked that provision should be made for free optical service and glasses, free dental care and teeth and hearing aids for all pensioners

under the Social Assistance Act. TAXES STABILIZED

Mr. Griffin also strongly urged that all municipal taxes on O.A.P. homes should be stabilized at the 1949 level.

Other action asked for: that drugs in categories A and D should be available for all old age pensioners without restrictions; that home nursing care should be provided in unorganized territories; an immediate increase in the allowable income and that O.A.P. members should be allowed to draw on their assets in case of need.

Mr. Griffin reported the Cabinet gave the delegation a very cordial welcome and listened with serious consideration to all the facts presented to them.

Following the meeting with the Cabinet, members of the delegation were received by the Minister of Health and Welfare, Mr. Eric Martin, and had their picture taken by C.B.C.

FEDERAL ACTION

In answer to a petition sent by Mr. Griffin some weeks ago to the Prime Minister, Mr. St. Laurent, stated that the O.A.P.O. request for raising of the basic pension from \$40 to \$60 per month had been turned over to the Hon. Paul Martin, Federal Minister of Health and Welfare.

Mr. Martin writing to Mr. Griffin this week said that the matter would receive his most earnest consideration.

Sunnyside P.T.A. Change Meeting Date

Wednesday of last week the Sunnyside P.T.A. held their monthly meeting at the school. Miss M. Kemaldean's room was the award for parent participation in the meeting. There was a change in the meeting date. Henceforth it will be held the second Wednesday in the month at 8 p.m. instead of the third Wednesday as formerly.

The guest speaker of the evening was Miss Alice Beattie, Public Health Nursing Supervisor of the Boundary Health Unit.

Sunnyside Pollyannas Make Quilt for Korea

The Sunnyside Pollyanna Group met at the home of Mrs. G. R. Currie last week where the ladies worked at tying a quilt which they plan to send to Korea. The draw which is a feature of the club, was won by Mrs. O. Stenstrom of Clow Road.

The next meeting will be held at the home of Mrs. N. Larsen of Brown Road.

V.O.N. Name New Slate

Meeting at the home of Mrs. L. K. Sully, Buena Vista Ave. last Thursday evening, the local V.O.N. organization appointed their Executive Officers for 1965.

President will be Mrs. K. Neville-Smith; vice-president, Mrs. M. L. Green; secretary, Mrs. A. Hazlett; treasurer, Mrs. P. Waterman; and publicity, Mrs. J. Hemming.

Plans were also made for a rummage sale to take place on Saturday, January 28 at the Silver Moon at 9 to 11:30 a.m.

The next meeting will be held at the home of Mrs. Bill Connor, King George Highway, on Thursday, February 16.

Last Call For Changes in the New Telephone Directory

The deadline for the Fraser Valley Telephone Directory is at hand. There is only a short time left to make changes in the YELLOW PAGES or White Pages sections of this important book. This is the final announcement of closing.

If you haven't arranged to be represented in the YELLOW PAGES, do so AT ONCE.

If you wish to change your White Pages alphabetical listing, tell the telephone company IMMEDIATELY.

AND WHILE YOU'RE AT IT . . .

Can people find your name in the phone book? Here are a few of the ways in which inexpensive extra directory listings can help—

Business Subscribers:

- List names, addresses and positions of key employees.
- List your firm name in more than one way.
- List the companies your firm represents.
- List your firm in out-of-town directories.
- List after-hours numbers of officials.

Residence Subscribers:

For a very low monthly charge, list additional members of the family, permanent guests or boarders.

Why not order yours to-day?

Nature takes her time in yielding the farmer a return on his investment of money and effort. Meanwhile he may need cash for feed or fertilizer or implements; or to re-roof his barn; or buy livestock.

Bank loans let him go ahead with his plans or improvements without waiting for harvest time. Across his local bank manager's desk he talks over the purpose, amount and repayment of the loan. It's a simple, straightforward business transaction involving the use of bank credit to promote enterprise.

In big city or rural area, the local branch of your chartered bank is a convenient banking service-centre. Staffed by friendly people, it is ready to help you with your saving, borrowing and other banking business . . . all under one roof.

Only a chartered bank offers a full range of banking services, including:

MONEY ORDERS AND BANK DRAFTS

To send money anywhere in Canada or throughout the world.

LETTERS OF CREDIT

For travellers on extended trips, or to finance business transactions at a distance.

MORTGAGE LOANS

Kuhn To Attend Freight Rate Hearing

Om. Theo Kuhn will represent Surrey Council at the forthcoming freight rate hearing in Vancouver on February 7, before the National Board of Transport Commissioners.

Surrey Co-operative Society and B.C. Federation of Agriculture are both opposing the proposed freight rate increase of 10 per cent on all feed grains shipped from prairie points to Vancouver, and have requested a hearing before the proposed increase is put into effect.

Surrey Co-operative is the largest member organization in the Federation; and its principal business is the marketing of feed grains and grain products to its members. A 10 per cent increase in these products is of vital concern to all the members, adding to an already high production costs.

The protesting organizations claim the B.C. farmers are large producers of dairy products, poultry and livestock; which can only be produced economically if it is within

power to purchase grains on the prairie provinces. B.C. farmers also provide additional revenue to the railways in moving those grains to British Columbia from the prairies.

It is contended B.C. farmers spend proportionately 64 per cent more than the farmers of Eastern Canada and five times as much as those on the prairies in feed costs.

Reidville Liberals Discuss B.C.E. Power

Great interest was evinced at a recent meeting of West Surrey Liberals in Reidville in the move of the B.C.E. involving expenditure of \$50,000 to have UBC scientists conduct a study to find a method to enable salmon to overcome difficulties of proposed power dam.

Senator Tom Reid who was present, explained in detail the difficulties involved, pointing out also that the money was wrongly placed. The only groups who have the complete knowledge to date of salmon are the fisheries experts of the Federal Department of Fisheries.

tee, said Senator Reid, and the JPSSC.

After an educational question and answer period, refreshments were served and a social hour enjoyed.

A social evening, held in Reidville Hall on Saturday, Jan. 14, was well attended and greatly enjoyed. Whist was played during the first part of the evening followed by a film "Sailors at the Coronation" in technicolour and presented by Senator Tom Reid. This presentation was given by special request. Prize winners at whist were Mrs. Clark, Mrs. C. Radley, Mr. J. Cant and Mr. E. Hornby.

Two Number Calls System With N.W.

Newton, Port Coquitlam and Port Moody will have "two number" calling with New Westminster when the latter's telephone system is converted to automatic operation on Jan. 29.

To place a call from these exchanges to New Westminster, and vice versa, subscribers will call the operator (in New Westminster by dialing "O") and give her the number being called. It will not be necessary to ask for Long Distance unless it is desired to place a person-to-person call.

Charges on the new "two-number" service will be 10 cents for the first five minutes and five cents for each additional three minutes.

LAKEVIEW EXCHANGE
At the same time long distance operators in exchanges in the Fraser Valley will be able to dial New Westminster numbers and other automatic exchanges in the Valley direct. All numbers in New Westminster will be changed at the time of conversion and the exchange name will become "Lakeview."

Returns To B.C.E. Farm Service Staff

Soils specialist George Dargie is back with the B.C. Electric Farm Service staff after a three-month leave of absence. He was on loan to the Faculty of Agriculture at the University of British Columbia as a lecturer in soils science. A number of students came from Fraser Valley families.

Mr. Dargie resumes his work as Farm Service representative in the Delta district where he is well known in agricultural circles.

Industry Booms In Municipality

Eight new industries have been commenced in Surrey during the 1964-65 period it was announced by Municipal Manager Percy Livingstone in his annual report to Council.

Included is the Perlite Plant, Newton, costing \$15,000 and last year a Perlite plant was opened on the Fraser river costing \$30,000. Additions to the Gypsum, Lime & Alabaster Plant, Port Mann, cost \$76,000. A lock-block plant cost \$10,000; Mount Baker Plywoods, \$100,000; Rock Gas at Newton, \$30,000 and Laminated Structures, Walnut Road, \$50,000.

It is anticipated this is only the beginning of bigger industrial developments throughout Surrey in the future.

Expert To Present Metropolitan Plans

For the first time, Mayors, Reeves and municipal officials throughout the Lower Mainland have been specially invited to the annual general dinner meeting of the Downtown Business Association of Vancouver, in Hotel Vancouver, Monday, January 30.

Speaker will be Mr. James C. Downs, Housing and Re-development Co-ordinator for the City of Chicago, who will discuss the problem of Metropolitan Planning.

"This is no ordinary meeting and no ordinary man," stated Mr. Harold Merlees, chairman of the Downtown Business Association Annual Meeting Committee. Mr. Downs is the outstanding North American author.

Chas. Schultz Elected Chairman of Zion Lutheran Church

At the annual meeting of Zion Lutheran Church in Cloverdale, Chas. Schultz was elected to the chairmanship of the congregation. Henry Renner of Hazelton was elected to a three-year term as elder. Edward Eiders was elected treasurer for a one-year term. Re-elected were Jack Teitz for a three-year term as trustee, Peter Balbach secretary, and Eugene Renner as envelope secretary.
The congregation adopted a budget of \$9,500 for 1956.
It takes YOU to make an argument.—Anna Paye.

Bidding Farewell To White Rock

After ministering for more than four and a half years in the Pentecostal Church, Rev. and Mrs. W. R. Collings are closing their ministry here.
On Sunday, January 29, farewell messages will be brought to the congregation.
All who are interested are cordially invited to attend.

New Crescent Church May Open For Easter

The congregation and building committee of the Crescent United Church are hopeful that the new church now in process of construction will be open for the Easter service.
Construction on the new building, which is three times the size of the one it will replace, started last October. Contractor is Mr. Graydon Connor, who also built the White Rock Baptist Church, opened last Spring.

Entirely financed by subscription the building will have a main floor 40 by 40 feet and will seat approximately 300 of a congregation. Last year the building committee, headed by Dr. John Kewter, raised \$4000 in a one-night campaign.

ALL FACILITIES

Traditional in style, the church will be finished inside with light mahogany panelling to a height of four feet and plaster above. Ceiling will be of plywood finished to tone with the mahogany.
A full-sized basement with a 9 foot ceiling will be equipped with movable partitions to accommodate Sunday School classes. It will also be fitted with a stage for concerts and up-to-date kitchen facilities for serving dinners and banquets.
The Women's Federation of the church have already raised \$2000 to pay for the new kitchen equipment.

Holy Trinity Holds Annual Vestry Meeting

The annual Vestry meeting of the Church of the Holy Trinity was held on Friday, January 20. Rev. E. Pitt Griffiths presiding.
Mr. Pitt Griffiths remarked that the past year had been lacking in the spectacular but that this year would be most important as it was the 1st year of three years of Revival "for the re-vitalization of the Parish and re-dedication of the individual, for the strengthening of the faithful, seeking the lost and support of the work."
Election of officers for the ensuing year was held. Rector named Mr. W. P. Bishop and J. W. Thorpe his lay readers, and Mr. W. P. Bishop his warden.

Elected were: People's Warden, Mr. H. C. Cooke, unanimous. Delegates to Synod, Messrs. V. Goggs, W. P. Bishop, J. C. D. Knight, Alvin Messers, H. C. Cooke, A. J. Willoughby, Sidemess: Messrs. E. S. Suddes, J. W. Thorpe, L. A. Starck, G. E. Sery, R. H. Cooper, H. C. Brown and F. Bartholomew.

The larger the island of knowledge, the longer the shoreline of wonder.—Ralph W. Sockman.

Chiropractic Care In Health Plans?

Many people want chiropractic care added to free health services for old-age pensioners, to services offered by private health and accident insurance policies and to the proposed national health plan.
A survey among 500 representative citizens of Vancouver showed particularly strong support—83 per cent—for help to pensioners who want chiropractic treatment.

Supporters thought it "only fair to include" chiropractic services in the three classifications. Some said: "Old-age pensioners need all the help they can get."

Miss Pack, Guest Speaker at Jan. 30, CARS Meeting

Miss Mary Pack, Executive Secretary of the Canadian Arthritic and Rheumatic Society's Provincial Headquarters in Vancouver, will be the guest speaker at an open meeting arranged by the White Rock Branch of C.A.R.S. to be held in the Presbyterian Church, Campbell River Road, at 5 p.m. on Monday, January 30.

During the evening a series of coloured slides will be shown depicting methods of treatment and services available for arthritic or rheumatic patients of all ages.

Mrs. Jessie L. Lee, president of the White Rock Branch of C.A.R.S. in making the announcement expressed the hope that citizens of White Rock would make a point of attending this meeting which is of such special interest in this area.

Funeral Rites Held For D. R. Johnston

Funeral services were held on Wednesday, January 18 at 2 p.m. from Chapel Hill Funeral Parlour, for Daniel Robertson Johnston of 2087 Stayte Road.

Mr. Johnston passed away on January 4 at the age of 74. He is survived by his loving wife; two brothers, William, in Victoria, James in Scotland, and one sister, Mrs. H. Wallace, also in Scotland.

Rev. G. Turpin of Vancouver, officiated, and burial was in Sunnyside Lawn.

Peace Arch Rebekahs Install New Slate

The new officers for 1956 for the Peace Arch Rebekah Lodge were installed on Tuesday night at a meeting held in the Masonic Hall.

Mrs. Jean Geissinger was installed as Noble Grand by Mrs. Audrey Lawson, District Deputy, assisted by Deputy Marshall, Mrs. Ivy Biggs, and Mrs. Irene Cooper as Junior Past Noble Grand.

Other executive officers are: Mrs. L. Mae Armstrong, Vice-Grand; Mrs. Dorothy Montgomery, Recording Secretary; Mrs. Jean Coburn, Financial Secretary; Mrs. Ena Lewis, Treasurer.

Mrs. Joyce Scriven, Chaplain; Mrs. Louise Campbell, Inside Guardian; Mr. Frank Gardner, Outside Guardian; Mrs. Hilda McNair, Staff Captain; Mrs. Marjorie Baker, Musician; and Mrs. Elfreda Lewis, Colour Bearer.

All Rebekahs are cordially invited to attend meetings on the 1st and 3rd Tuesday of every month.

Pentecostal Council Report Successful '55

The Women's Missionary Council of the Pentecostal Church report a very successful year. During the year of 1955 28 meetings were held with an average attendance of 12 mem-

bers. These meetings were part time devotional and part time work.
It was reported that 34 parcels were sent to needy fields. At least 30 large quilts were also made, as well as five baby quilts, aprons and children's clothes. Six large boxes of literature and Christmas cards were sent overseas. Four Christmas parcels were sent to missionary families besides gifts of money.

The Council are asking for used clothing and materials with which to make quilts.
